

Sprinklr Contracts FAQ:

Who is Sprinklr and What do we Do?

These Sprinklr Contracts FAQ's intends to provide some background information on Sprinklr's products and services to give a better understanding of our offerings and to facilitate the review of our Master Services Agreement. While the folks in the front office know what we do, often times, attorneys and contract professionals are sent contracts from Sprinklr to review, without having an understanding of who we are, what is being purchased and how we provide that service so we've outlined below many of the common questions around those products and services to help with that. This FAQ document does not form part of the agreement between you and Sprinklr.

➤ **What does Sprinklr Sell and What is being Purchased?**

Sprinklr offers the world's most complete enterprise Customer Experience Management System through our Experience Cloud technology platform, purpose-built to help large brands create, manage, and optimize valuable social experiences that customers will love, across 30+ social channels and brand websites. Sprinklr is a cloud based Software as a Service ("SaaS") application provided over the Internet, in a multi-tenant hosted environment. Being SaaS, all customers are on the same version of the Sprinklr Platform.

➤ **What kind of data is processed by the Sprinklr Platform?**

The data collected and processed by Sprinklr in the context of the provisioning of Sprinklr's services for our customers includes (i) customer and customer employee account information to enable access to Sprinklr's services; (ii) any content customer chooses to upload or store in the Sprinklr platform, and (iii) content published or sent by social media users via customer's social media profiles, as well as inbound and outbound messages and posts on the various social media networks (e.g. Facebook and Twitter, etc.). Sprinklr's customers authorize Sprinklr to connect to their social media accounts and can unilaterally determine the scope of the data collection and data processing. The data collected and processed by Sprinklr is primarily publicly accessible data, in particular social media messages and posts published by the users of the various social media networks.

➤ **What does Sprinklr do about Data Protection?**

Data protection and compliance with Data Protection Legislation is of paramount importance to Sprinklr. Sprinklr, as a data processor, provides a Data Processing Addendum (DPA) to all its customers, available at www.sprinklr.com/legal. Sprinklr leverages the most up-to-date Standard Contractual Clauses to enable cross-border data transfer of personal information for transfers out of the EEA/UK. Sprinklr's DPA also lists the technical and organizational measures Sprinklr deploys to safeguard such transfers of data.

Sprinklr is committed to transparency with regard to its data processing operations, including identifying all sub-processors used by Sprinklr. The list of sub-processors is available at www.sprinklr.com/legal. Sprinklr obligates its sub-processors to contractual obligations that are substantially the same as those imposed on Sprinklr under our DPA with our customers.

The Sprinklr platform establishes procedures to enable our customers to respond to data subject requests for access, rectification, objection, restriction, portability, and deletion (right to be forgotten) in an efficient way directly via the user interface and/or via an API.

Sprinklr informs every employee of their data protection and confidentiality obligations. Every employee participates in mandatory data protection and information security training and is formally obliged to data secrecy. Sprinklr established a data protection steering committee of key functional leaders throughout the company and Sprinklr has also appointed an experienced third party Data Protection Officer.

➤ **How does Sprinklr Protect Customer Data?**

Sprinklr is a multi-tenant Software-as-a-Service (SaaS) product which is hosted in a virtual private cloud (VPC). This means that your data shares the physical environment with other Sprinklr customers but is logically isolated to ensure security. This hosting environment creates a high availability redundant enterprise grade installation with strong security. Sprinklr holds a SOC 2 Type 2 security certification. Sprinklr encrypts Data in Transit and Data at Rest. In addition, Sprinklr has executed contracts with all supported social media networks, and these contracts impose obligations which Sprinklr must enforce to ensure that prohibited content is not allowed to be posted via the Sprinklr system.

Since Sprinklr is a multi-tenant system, we must protect the confidentiality of other customers sharing the environment. This places restrictions on the access we provide to our customers and the ability to audit and inspect our security environment. In addition, the multi-tenant environment extends to our subcontractors; Sprinklr has two basic types of subcontractors, multi-tenant subcontractors and SOW subcontractors that provide professional services, usually under a statement of work (SOW). Customers may upon request audit, inspect and approve SOW subcontractors who are working under a specific SOW which mentions that subcontractor by name. Multi-tenant subcontractors such as hosting or data providers, are not available for audit, inspection or approval to any customer in the multi-tenant environment. This policy ensures to all Sprinklr customers there is no appearance (or in fact) any influence by a competitor on Sprinklr operations which could indirectly impact a Sprinklr customer.

➤ **What happens to my Data on Termination or Expiration of the Agreement?**

Pursuant to Section 3.4 of Sprinklr's Master Services Agreement ("MSA"), within thirty (30) days after the effective date of termination and upon request, Sprinklr will delete customer's available content from the Platform or extract such data and provide a copy to customer if customer requests a copy. Where a copy of content is requested, both parties will agree to an acceptable transfer methodology, (typically Sprinklr provides an SFTP for the transfer) Any reasonable expenses incurred by Sprinklr as a result of Customer's request for an extraction method which deviates from Sprinklr's standard shall be the responsibility of Customer. After this thirty (30) day period, Sprinklr is no longer required to keep the content, though Sprinklr may retain such content where required under applicable law and only to the extent and for such time period as is required by the applicable laws.

➤ **What is Sprinklr's Service Level Agreement ("SLA")?**

Sprinklr's SLA can be found at www.sprinklr.com/legal. All customers of Sprinklr are on the same version of the Platform. We cannot modify this SLA on a customer by customer basis, as we would not be able to scale our operations without uniformity across our entire customer base.

➤ **What is Sprinklr's Acceptable Use Policy ("AUP")?**

Sprinklr's AUP can be found at www.sprinklr.com/legal. We have created this policy to make it very clear what can and cannot be done with the Sprinklr Platform. Much of this is required by the social media networks that our Platform interacts with. As a result, this is required to be accepted by our customers without any amendments.

➤ **What are Sprinklr's Standard Payment Terms?**

Sprinklr invoices for all fees upon execution of an order form and/or statement of work. Payment terms are thirty (30) days from the date of the invoice.

➤ **Does Sprinklr offer Termination for Convenience?**

Sprinklr does not allow termination of an agreement, order form or statement of work for convenience. Sprinklr sets its prices based on a committed term as set forth in an order form and any right to terminate without cause impacts our ability to book the contract or to recognize revenue on the contract upon signature. It is fundamental to Sprinklr's business that each party is committed to a term upon execution of an agreement, order form or statement of work, other than a termination due to breach.

➤ **Does Sprinklr allow Acceptance Testing of the Platform?**

SaaS models are fundamentally different than other methods of software delivery. Sprinklr operates a SaaS, multi-tenant environment that runs the Platform for all customers on a "single code line". The Platform that you license is the Platform readily available to, and already used by over 1,000 customers of Sprinklr, and is simply enabled for your use. The concept of acceptance of this Platform does not exist in Sprinklr's SaaS business model. Sprinklr's standard MSA provides warranties, support and SLA's in case the Platform is not operating in accordance with the terms of the agreement.

➤ **Does Sprinklr Provide an Indemnification?**

Pursuant to Section 6.1 of the MSA, if a third party claims that you have infringed on their IP rights as a result of using the Sprinklr Platform, we stand behind our Platform and we will indemnify you for any such claims. Sprinklr also requires an indemnity from our customers for any third party claims resulting from a breach of Sprinklr's AUP by Customer.

➤ **Does Sprinklr Provide Unlimited Liability?**

Sprinklr understands the importance of each party's liability and the liability of each party should correlate directly to the value of the agreement between the parties. To achieve this goal, Sprinklr excludes indirect damages for both parties in all circumstances. In addition, Sprinklr's mutual limitation of liability for direct damages in a contract is the fees paid by a customer in the twelve (12) months prior to the event giving rise to the liability. There are three exceptions to the direct damages limitation, these are (i) either party's gross negligence or willful misconduct, (ii) each party's standard indemnification obligations as stated in our MSA, and (iii) a customer reverse engineering, or misappropriating Sprinklr's Intellectual Property. Sprinklr does not agree to, nor do we ask for, any other liabilities to be accepted on an unlimited basis. Our Platform and Intellectual Property is what our company is built upon, and we cannot agree that a Customer could have any limit on direct damages if they attempt to take that Intellectual Property. Sprinklr does understand that breaches of confidentiality and breaches of data protection are important to our customers, and, as a result, we agree to offer a separate, higher liability cap for these breaches (Two times (2x) twelve (12) months fees

- 3.2** Either party may terminate this Agreement and all Order Forms and SOW's in the event that the other party is in material breach of this Agreement, and/or any Order Form or SOW, which has not been cured within thirty (30) days following receipt of written notice of such breach. Customer shall be responsible for any liability or expense incurred by Sprinklr as a result of Customer's failure or delay in paying taxes due or if Customer's claimed tax exemption is rejected. If Customer is legally required to withhold tax from its payment of Fees to Sprinklr, and/or to pay any equalization taxes, Customer agrees to gross up all Fees that are subject to such withholding tax, and shall not be entitled to reduce the Fees on an Order Form and/or SOW by any equalization taxes, such that the net payment received by Sprinklr is the full originally stated amount of such Fees.

5. WARRANTIES

- 5.1** Each party represents and warrants that it has the right and authority to enter into and perform its obligations under this Agreement and shall comply with all applicable laws.
- 5.2** Sprinklr warrants that during the Term, when used by Customer as expressly permitted hereunder, the Platform shall substantially conform to the User Guides and shall perform in all material respects in accordance with the terms of this Agreement and each Order Form or SOW. In the event Customer determines that the Platform has not met the foregoing warranty, Customer shall give Sprinklr prompt notice of the deficiency, including details sufficient to allow Sprinklr to replicate the deficiency, and in such event Sprinklr will use commercially reasonable efforts to remedy the identified deficiency. If Sprinklr does not remedy the deficiency, either party may terminate the affected Order Form or SOW and in such case Sprinklr will refund to Customer the amount of any pre-paid Fees for the period after termination as its exclusive remedy. This warranty does not cover any problem with or damage to the Platform to the extent caused by: (i) Customer's negligence, abuse, misuse, improper handling and/or use, (ii) modifications by anyone other than Sprinklr or its Contractors; (iii) failure to operate the Platform in accordance with the User Guides; or (iv) a Force Majeure Event.
- 5.3** TO THE MAXIMUM EXTENT PERMITTED UNDER APPLICABLE LAW, THE SOLE AND EXCLUSIVE WARRANTIES AND WARRANTY REMEDIES ARE SET FORTH IN THIS SECTION AND, EXCEPT AS EXPRESSLY STATED IN THIS AGREEMENT, THE SPRINKLR SERVICES, INCLUDING ALL FUNCTIONS THEREOF, ARE PROVIDED ON AN "AS IS" BASIS, WITHOUT REPRESENTATIONS OR WARRANTIES OF ANY KIND WHATSOEVER, WHETHER EXPRESS, IMPLIED, ORAL OR WRITTEN, INCLUDING WITHOUT LIMITATION, ACCURACY OF CONTENT, NON-INFRINGEMENT, NON-INTERFERENCE, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR THAT THE SPRINKLR SERVICES WILL BE UNINTERRUPTED, TIMELY OR ERROR-FREE.

6. INDEMNIFICATION

- 6.1** Sprinklr shall indemnify, defend and hold harmless Customer and its Affiliates (the "Customer Parties") from and against any losses, liabilities, costs, expenses (including reasonable attorneys' fees and expenses), penalties, judgments, settlement amounts and damages ("Losses") incurred by a Customer Party arising from a claim, suit, action or proceeding brought by a third party (a "Claim") against any Customer Party alleging that the Sprinklr Services (excluding the Content and use of the Connected Services Authorization) when used by Customer as permitted hereunder infringes any third party intellectual property right. In the event it is held (or in Sprinklr's reasonable opinion it is likely to be held) that the Sprinklr Services when used in accordance with this Agreement and the applicable Order Form and/or SOW infringe a third party's rights, Sprinklr shall at its expense either (x) procure for Customer the right to continue using the affected elements of the Sprinklr Services, or (y) replace or

modify the affected elements of the Sprinklr Service, in whole or in part, so that it becomes non-infringing but provides substantially equivalent functionality. If Sprinklr, in its sole discretion, determines that neither (x) nor (y) are commercially reasonable, Sprinklr may terminate the provision of the affected Sprinklr Services and refund to Customer the amount of any pre-paid Fee applicable to the terminated Sprinklr Services for the period after termination. Customer acknowledges that its right to obtain indemnification and the rights described in the preceding sentence are its sole and exclusive rights in the event of such a claim. The foregoing obligation does not apply to the extent that the infringement arises from: (i) use of the Sprinklr Services in breach of the terms of this Agreement, (ii) use of the Sprinklr Services in connection with third party products used by Customer, to the extent the infringement is caused by such third party products, and (iii) any changes made to the Sprinklr Services by or on behalf of Customer.

- 6.2** Customer shall indemnify, defend and hold harmless Sprinklr and its Affiliates, (the “Sprinklr Parties”) from and against any Losses arising from a Claim against any Sprinklr Party resulting from a breach of the Acceptable Use Policy.
- 6.3** The indemnification obligations contained in this Agreement are conditioned upon: (i) notice by the party seeking indemnity (“Indemnitee”) to the party from whom indemnity is sought (“Indemnitor”) of any Claim for which indemnity is claimed within five (5) days of the Indemnitee receiving notice of such claim (failure to meet this condition does not exempt the Indemnitor of its indemnification obligation, except to the extent that failure has materially prejudiced the Indemnitor’s ability to defend the Claim); (ii) complete control of the defense and settlement of the Claim by the Indemnitor, provided that no settlement may be made without the consent of the Indemnitee, such consent not to be unreasonably withheld or delayed; and (iii) reasonable cooperation by the Indemnitee in the defense as the Indemnitor may request. The Indemnitee has the right to participate in the defense against the indemnified Claims with counsel of its choice and at its own expense but may not confess judgment, admit liability or take any other actions prejudicial to the defense. Further, the Indemnitee may not settle an Indemnified claim unless such settlement includes an unconditional release of the other party from all liability on all Claims, or the other party gives its prior written consent, which shall not be unreasonably withheld.
- 6.4** THIS SECTION STATES EACH PARTY’S ENTIRE LIABILITY TO THE OTHER AND EACH PARTY’S SOLE REMEDY FOR ANY THIRD-PARTY CLAIM DESCRIBED IN THIS SECTION.

7. LIMITATIONS OF LIABILITY

- 7.1** TO THE MAXIMUM EXTENT PERMITTED UNDER APPLICABLE LAW, IN NO EVENT SHALL EITHER PARTY BE LIABLE FOR ANY INDIRECT, SPECIAL, INCIDENTAL, PUNITIVE, OR CONSEQUENTIAL DAMAGES IN CONNECTION WITH THIS AGREEMENT, INCLUDING WITHOUT LIMITATION LOSS OF REVENUE OR ANTICIPATED PROFITS OR LOST BUSINESS OR LOST SALES OR ANY OTHER MATTER RELATING TO THE SPRINKLR SERVICES.
- 7.2** EXCEPT FOR (I) EITHER PARTY’S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT; (II) THE PARTIES’ INDEMNIFICATION OBLIGATIONS; AND/OR (III) A BREACH OF SECTION 2.8, IN NO EVENT SHALL THE TOTAL LIABILITY OF ONE PARTY TO THE OTHER PARTY FOR ANY AND ALL DAMAGES, LOSSES, AND CAUSES OF ACTION (WHETHER IN CONTRACT OR TORT, INCLUDING, BUT NOT LIMITED TO, NEGLIGENCE OR OTHERWISE), ARISING FROM THIS AGREEMENT OR CUSTOMER’S USE OF THE SPRINKLR SERVICES, EXCEED, IN THE AGGREGATE, THE TOTAL FEES RECEIVED BY OR PAYABLE TO SPRINKLR FROM CUSTOMER UNDER THIS AGREEMENT IN THE TWELVE (12) MONTHS IMMEDIATELY PRECEDING THE EVENT GIVING RISE TO THE LIABILITY. CUSTOMER ACKNOWLEDGES THAT SPRINKLR HAS SET ITS PRICES AND ENTERED INTO THIS AGREEMENT IN RELIANCE UPON THE LIMITATIONS OF LIABILITY AND THE DISCLAIMERS OF WARRANTIES AND DAMAGES SET FORTH HEREIN, AND THAT THE SAME FORM AN ESSENTIAL BASIS OF THE BARGAIN BETWEEN THE PARTIES. THE PARTIES AGREE THAT THE LIMITATIONS AND EXCLUSIONS OF LIABILITY AND DISCLAIMERS SPECIFIED IN THIS AGREEMENT WILL SURVIVE AND APPLY EVEN IF FOUND TO HAVE FAILED OF THEIR ESSENTIAL PURPOSE. IN NO EVENT SHALL THE LIMITATIONS IN THIS SECTION APPLY TO FEES DUE FOR THE SPRINKLR SERVICES UNDER THIS AGREEMENT.
- 7.3** NOTWITHSTANDING THE FOREGOING, IN NO EVENT SHALL THE TOTAL LIABILITY OF ONE PARTY TO THE OTHER PARTY FOR ANY AND ALL DAMAGES, LOSSES, AND CAUSES OF ACTION (WHETHER IN CONTRACT OR TORT, INCLUDING, BUT NOT LIMITED TO, NEGLIGENCE OR OTHERWISE), ARISING FROM (i) A BREACH OF EITHER PARTY’S CONFIDENTIALITY OBLIGATIONS HEREIN, AND/OR (ii) A BREACH OF EITHER PARTY’S DATA PROTECTION OBLIGATIONS HEREIN EXCEED, IN THE AGGREGATE, TWO TIMES (2x) THE TOTAL FEES RECEIVED BY OR PAYABLE TO SPRINKLR FROM CUSTOMER UNDER THIS AGREEMENT IN THE TWELVE (12) MONTHS IMMEDIATELY PRECEDING THE EVENT GIVING RISE TO THE LIABILITY.

- 8.2** Customer and Sprinklr each agree not to use any Confidential Information of the other party for any purpose other than as necessary to perform its obligations under this Agreement. During and after the Term, neither receiving party will disclose any Confidential Information of the disclosing party to any third party without the prior written consent of the disclosing party, except (i) where such disclosure is necessary for the performance of the receiving party’s obligations under this Agreement; or (ii) as may be required by Laws (provided that the party obligated to make the disclosure shall give the other party advance notice of such requirement to the extent legally permitted). Each receiving party shall be responsible for compliance with this Section and applicable provisions of this Agreement by its employees and Contractors, and shall obtain the agreement by each employee and Contractor to keep the Confidential Information of the disclosing party confidential and to use it solely as required for the performance of the receiving party’s obligations hereunder.
